europe!
presented by efp

EFP (European Film Promotion) is the international network of the national film promotion agencies from 37 countries throughout Europe, representing their national films and talent abroad.

Under the EFP flag, these member organisations come together to jointly promote the diversity and spirit of European cinema at key film festivals and markets worldwide, in particular outside of Europe.

The EUROPE! UMBRELLA at TIFF 2023 is made possible thanks to the support from the Creative Europe MEDIA Programme of the European Union and Eurimages, as well as from the participating national film promotion agencies, EFP's member organisations: Austrian Films, Croatian Audiovisual Centre, Danish Film Institute, Finnish Film Foundation, Flanders Image/Belgium, German Films, Icelandic Film Centre, Norwegian Film Institute, Screen Ireland and Swedish Film Institute.
