

# meet world sales companies from europe

EFP (European Film Promotion) operates EUROPE! HUBs that establish a joint European presence at key international markets outside of Europe. They serve as central hub to meet with the film industry.

## about

EFP (European Film Promotion) is the international network of the national film promotion agencies from 37 countries throughout Europe, representing their national films and talent abroad.

Under the EFP flag, these member organisations come together to jointly promote the diversity and spirit of European cinema at key film festivals and markets worldwide, in particular outside of Europe.
